Case 3:21-cv-00034-EMC

STIPULATION OF UNDISPUTED FACT

Date: N.A.

Time: N.A.

Location: Courtroom 5, 17th Floor

Judge: Hon. Edward M. Chen

Complaint filed: January 5, 2021

Trial date: December 12, 2022

19
20 **IT IS HEREBY STIPULATED AND AGREED** by and between counsel of record for the
21 parties to the above-captioned action that the following fact is not in dispute:

22
23
24 1. The Cotati City Clerk is responsible for making reasonable accommodations for City
25 meetings, including accommodating various prior requests from the Plaintiffs and others. At a
26 strategic planning session on March 27, 2019, in addition to accommodating Plaintiff Alderman's
27 request for a table, the Cotati City Clerk provided two functioning electronic hearing-assist devices,
28

1 previously used in the City Council Chambers, to Plaintiff George E. Barich for use in the Police
2 Station Community Room, believing they would work in that room. Both devices powered on, but
3 neither device amplified sound at that meeting. After the meeting, the Cotati City Clerk learned
4 that the devices had radio frequency receivers configured to work with the public address system in
5 the City Council Chambers, and therefore did not work in the Police Station Community Room.
